**TECHNICAL PRODUCT BULLETIN**

**PRODUCT DESCRIPTION AND USES**

**V-103C**-is a ready-mix vinyl paint intended primarily for use on ferrous surfaces subject to intermittent or continuous immersion in fresh water.

**V-103C** is extremely durable in exterior atmospheric exposure.

**V-103C** should only be used as a finish coat and should never be applied directly to steel surfaces.

This material is approved by the U.S Army Corps of Engineers in the following coating system at the indicated DFT:

**SYSTEM NO. 5-A-Z**

**PRODUCT DATA**

VOC Content:  
**Imparted Immersion Coating**

Type of Material:  
**Vinyl Copolymer**

Volume Solids:  
18.5

Estimated Coverage:  
297 sq. ft. per gal.@1.0 Mil DFT theoretical

Recommended Film Thickness:  
1.5 mils DFT per coat

Method of Application:  
Spray Preferred

Number of Coats:  
2 normally

Thinner and Clean Up Solvent:  
Use appropriate Vinyl Thinner

Shelf Life:  
One year from DOM

Pot Life:  
Unlimited

Dry Time:  
3 days for immersion

Flash Point:  
40°F

Color and Gloss:  
Black; semi gloss

Mixing Ratio:  
Single component
SURFACE PREPARATION

**V-103C** should only be applied over properly prepared and primer surfaces. **V-103C** is not meant to be used as a primer directly to steel surfaces.

APPLICATION INSTRUCTIONS

**V-103C** can be applied when preceding coat is tack free and firm to the touch.

SPRAY EQUIPMENT:

Conventional—Paint pressure pot with double regulators and moisture trap, DeVilbiss MBC-510 gun with “E” tip and needle, 765 air cap. 1/2” ID material hose, 5/16” air hose.

**MIXING**

Material should be thoroughly mixed with mechanical agitation prior to use.

Thinning may be required in an amount of up to 25%. If steel and ambient temperatures are above normal, thinning up to 40% is acceptable.

The use of proper thinner is required and is based upon temperatures as follows:

- Above 70°F: MIAK
- 50°F - 70°F: MIBK
- Below 50°F: MEK

This material is for industrial use only. See Material Safety Data Sheets for handling, storage, disposal and use. **NON-WARRANTY**: The information herein is based upon the best information available at time of printing and data provided are intended for those having skill and ability to use products as recommended. IndMar Coatings assumes no warranties, either implied or expressed, as to the purchase or application of these products, with the sole exception that if the Seller delivers off standard materials, the Seller will, at its option, either replace the material or refund the full purchase price.
